Highlight Vacations Mascot

Our company is growing and we are getting a lot of new travelers, so I thought it was time to come up with a special friend for the company. A new Highlight Vacations' Mascot to be our travel companion. If you can sketch, draw, or just write down your idea, we will do the rest. So, help us come up with a great mascot.

I will have someone draw all your ideas and in the January newsletter, you will pick the mascot that the group likes the best. (Majority wins). Then we will have a poll to name our new mascot in February. The person that submitted the winning idea will win a \$200 discount on any feature trip for 2025.

Some of the entries that travelers have submitted are: A globe with arms & legs with a face with a baseball hat. Another entry is a schnauzer dog wearing glasses riding on a plane. So, we are still looking for more entries before the deadline.

All mascot entry ideas must be in November 20, 2024, to be in the contest. The more detailed the description of the idea, the easier it will be to draw it. Make sure, your name and phone # are on the entry. In your email, please write in the subject box: : Mascot and Send your Mascot ideas to:highlightvacations@gmail.com. Good luck and let's find our new special friend!

Friends and Family Program!

Our Friends and Family program was a big success and it brought a lot of new people to the club for the community. We will bring it back for the 2025 season, to help you save again. If you know someone that would like to join us on a trip and they sign up, you both save on your trip and they save on their trip even if it is a different trip. If you have any questions, please email me: highlightvacations@gmail.com

Activity Levels:

When signing up for a trip/vacation, please consider the activity level of the trip. This gives the traveler an idea of the amount of walking/activity that is per day. Here is the list of the Activity Levels for all day trips and vacations for the upcoming year.

Guide to Activity Level for Trips

Activity Level 1: I'm a Chilling •

-This is your trip to sit back and relax. Walking is to the minimal, maybe walk a mile during the day. Stopping and smelling the roses is a must on this trip. You like to take your time and enjoy what you are doing. You don't want to be rushed to the next activity. (Lots of stops to rest).

Activity Level 2: Keep the Pace: ••

-You like to spend most of the day walking and sightseeing, and you can keep up with the group. You like to see a lot and to stay busy, but you also like a restful afternoon by the pool or reading a good book occasionally. These travelers can walk from 2 to 4 miles in the morning with ease and enjoy a quiet afternoon.

Activity Level 3: On Your Feet traveler! •••

-This is for the traveler that likes to be on the go. To spend the morning in a museum or sight seeing a castle. Then they have the opinion to go swimming in the afternoon or shopping or continuing exploring the area. These travelers like to constantly like to be on the go! This group can walk from 5 to 9 miles a day, it's up to what you do!

Activity Level 4: What's Next on the List: ••••

-You enjoy spending the day on the move! You are comfortable spending the day walking around town, or uneven paths, or taking public transportations. You are ready for anything!!! You want to see everything and you are willing to try new things. These travelers can walk up to 10 miles or more a day and be ready tomorrow to do it again.

Activity Level: Choose Your Pace:

This is a trip that is the traveler's pick. It allows the traveler to pick the activity level that they would like to do for that day. Staff will be available for them on a day-by-day rotation, so that each traveler will be

able to do their activity level that they choose for the day. If the activity level cannot be covered on a particular day because of staff shortage, it will be selected on the following day

Our teatime socials are the second Thursday of each month @ 7:00 pm

It is a great way to discuss what is important in the club with our travelers. We talk about what is going on in the community and spend time with good friends and learn skills for when we are traveling.

If you have already been to one of our teatime socials, you do not have to sign up again. If you would like to join us for the first time, please **sign up on our website:** www.highlightvacations.com or highlightvacations@gmail.com
